

Curriculum Vitae

ENDRE TIHANYI, Ph.D.

Personal Informations:

Data of birth: July 12, 1947
Place of birth: Pécel, Hungary
Citizenship: Hungarian
Marital status: Married with Klára Mészáros
Two children: Kornél (1972) and Zita (1976)

Education:

1965-70 Eötvös Lóránd University, Faculty of Natural Sciences, graduated as chemist
1987 Ph.D. degree in chemistry
1987 academic degree (candidate of chemical sciences)
1995-97 Budapest University of Economic Sciences, graduated as economic expert of R & D management

Workplace:

1970-2007 Institute for Drug Research

Career:

1970-80 Research chemist
1980-84 Senior research chemist
1984-88 Head of Chemical Research Department
1988-91 Deputy head of Chemical Research Department
1991-00 Head of Research and Development Division
2000-07 Director of Coordination

Fellowship:

1986-87 University of Florida, Gainesville
Medicinal Chemistry Department, Prof. N. Bodor

Field of interest:

Synthetic chemistry, heterocyclic chemistry, medicinal chemistry, "soft" drugs, drug delivery systems. Research and development organization, documentation, information systems

Publications:

7 patents
42 publications and lectures

Membership:

Hungarian Chemical Society
Hungarian Biochemical Society
